PROFESSIONAL EXPERIENCE

Owner & Clinical Director

Miranda Mo & Associates, Richmond Hill, ON | March 2014 - Present

- Provide clinical direction, mentorship, and quality assurance for Occupational Therapy associates across complex injury cases
- Develop best-practice protocols and treatment programs for catastrophic injury rehabilitation including spinal cord injuries, acquired brain injuries, PTSD, chronic pain, and psychological conditions
- Conduct comprehensive assessments: hospital pre-discharge, cognitive, ADL, home safety, medical-legal (FCC reports, GOSE interviews), ergonomic evaluations, and home modification assessments
- Deliver treatment programs including cognitive rehabilitation, return-to-work/ADL programs, CBT approaches, PGAP, and functional retraining across home, work, and community settings
- Manage case management services for catastrophic injury clients; Registered Clinic Provider for WSIB Complex Injury Program

Occupational Therapist

Entwistle Power Occupational Therapy | March 2014 - July 2018

Occupational Therapist

Galit Liffshiz & Associates | September 2012 - February 2014

Occupational Therapist

Complex Injury Rehab | July 2010 - August 2012

- Delivered assessments and rehabilitation for clients with catastrophic injuries: multi-trauma, fractures, amputations, ABI, SCI, and psychological conditions
- Developed and authored Life Care Plans; participated in peer mentorship and quality audit programs

Clinical Lead & Occupational Therapist

1 to 1 Rehab | August 2009 - June 2013

- Provided leadership and guidance for adult community OT practice; developed best-practice and risk management plans
- Delivered OT services under Ontario Health atHome (formerly CCAC) focusing on ABI, geriatrics, psychogeriatrics, mental health, and palliative care
- Authored clinical educational materials on falls prevention, energy conservation, and caregiver strategies

Self-Employed Consultant

Miranda's OT Services | March 2006 - September 2010

- Provided OT assessments and insurer examinations (Form 1, non-earner benefit, file reviews)
- Delivered in-home education, return-to-work facilitation, and catastrophic case management
- Supervised COTO re-entry program participants and therapists new to the auto insurance sector
