WORK HISTORY

Rehabilitation Therapy Support Worker

2006 – 2010

Wright Rehab

Currently work with individuals with ABI in order to support them to reach their rehabilitation goals within the home and community under the supervision of multidisciplinary teams.

Community Support Worker

1988 – 2006

The City Of North York: North York, ON

Supported clients with ABI/cognitive and or behavioural challenges to safely integrate and to function to the maximum of their potential within a community, hospital, nursing home or home environment. Worked with medical teams to best support clients in their rehabilitation journey. Worked with families to assist, teach and follow through with therapy management techniques.

MAGNITUDE OF RESPONSIBILITIES:

- Provide hands on support
- Promote independent and integration into community
- Teach Life Skills
- Implement individualized programs
- Support, counsel
- Meet all transportation requirements
- Administer prescribed treatments
- Attend to personal care needs
- Promote personal growth
